

BACK TO SCHOOL BACKPACK DRIVE!

It's time for our annual Back to School Backpack Drive! Each year, we invite individuals and our community, corporate and faith partners to step up for each of the approximately 700 school-aged kids in our care so they receive supplies for the new school year. School supplies are an expense that many of our families have difficulty affording, and your generosity ensures that our children have the necessary tools to be successful in school and in life.

Pre-K - Kindergarten
