VITAL CONNECTIONS ABUNDANT FRUIT

Rooted in Christ, Called to Serve

*Jesus said, "I am the vine, you are the branches.
Those who abide in me and I in them bear much fruit."*

(John15:5)

Dear Friends,

Without question, this is the most urgent and important stewardship letter I have written in my twenty-three years as a pastor. Our church—the church we love—is in critical need of a generous outpouring of financial support.

As we have demonstrated time and again, we are very good at rising to the challenge when disaster strikes and somebody needs our help. We have given enough resources to fill cargo containers and send them afar to care for victims of tornados, hurricanes and floods. We have responded to the needs of hungry neighbors by raising and preparing literally tons of food and thousands of meals for those most vulnerable. We delivered thousands of handmade face masks during the pandemic and provided them to front-line healthcare workers, the elderly and those most at risk. We have surrounded countless people with our prayers, our care and our companionship when they were sick, alone or isolated.

And now, the time has come when we need to help ourselves and our church with the same spirit of generosity and selflessness.

The COVID pandemic has significantly diminished the support we receive. We have experienced a downturn in in-person giving and building use donations over the last eighteen or so months. There will be no PPP loan in 2022.* This means without our increased support, we will have to seriously consider downsizing or eliminating ministries and missions.

continued

VITAL CONNECTIONS: ABUNDANT FRUIT *continued*

These are programs and efforts that provide hope and support to people who are hurting and who need the church to care for them. We need to come together and demonstrate our faith in God and love for one another by giving generously to fully fund our budget this year and next.

Our lives are interconnected with each other's lives and with our church. Jesus is the vine and we are the branches; if the plant is not fed and watered through our gifts of time, talent and treasure, our church will be diminished. Our lives will be diminished. The fruit we bear for God will be diminished.

I believe with all my heart that we have the resources and the spirit to overcome this present difficulty. In the weeks ahead, I implore you to consider catching up on your commitment, whether that was a pledged commitment or one that you made without pledging. I also ask you to consider giving an extra gift to fund 2021. Finally, I ask you to submit a generous and sacrificial pledge or estimate of giving for 2022.

We can weather this storm. We can not only survive, we can thrive.

God planted this church. Our efforts have nourished it over the years and it will continue to grow stronger if each one of us honors the connection we have as branches to the vine of God. Please know that every gift is gratefully received and every giver is held in prayer.

Rev. Chris Winkler

*In 2020, and in 2021, the church received a Paycheck Protection Program (PPP) loan of \$150,000 and \$145,000 respectively. These PPP loans were available from the Small Business Administration to help businesses—of which churches qualified—keep their workforce employed during the COVID-19 Pandemic.

Commitment Sunday, November 14—Investing in our future

STAFF ANNOUNCEMENTS

Welcome, Lou Ann Gordon, Director of Finance. Lou Ann has been a member of BUMC for 35 years. During that time, she has been active in many various committees—most recently the Board of Directors of Noah's Ark Christain Academy serving on the finance subcommittee, Adult Faith Development and the Tech Team. A Thanksgiving Sunday tradition at Barrington UMC, this is a wonderful chance to shop for stocking stuffers, hostess gifts, Christmas ornaments, or a little something for yourself. Join us on Sunday, November 21 for shopping that makes a difference.

Children's Christmas Gifts

Every year, Barrington UMC donates Christmas gifts to children in need at Kids Above All. We will continue to offer an online signup as well as in-person signups this year. Please find the form on our website barringtonumc.com/get-involved or through the link in your weekly eNews. Let us know how many children you would like to sponsor and whether you prefer to shop for boys or girls. You will receive a response from Barbara Bond within a few days. If you don't hear from her, please email her directly at bbond32190@aol.com.

We ask that gifts include an item of clothing and a toy of not more than \$40 total. If you do not wish to sign up online, there will be in-person sign-ups on Sunday, November 21 and Sunday, November 28. Gifts should be returned by Sunday, December 5 unwrapped in a gift bag with a tag from St. Nicholas and the child's name.

GET INVOLVED | FAITH DEVELOPMENT

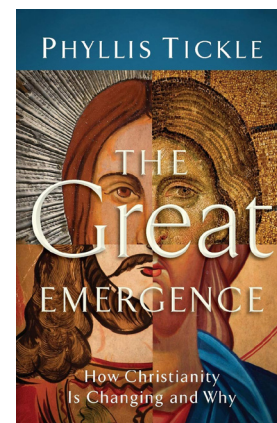

Sunday Morning Book Study at Barrington UMC

Practical Christianity for Men, a faith development activity of United Methodist Men, is studying the book *The Great Emergence: How Christianity is Changing and Why*.

In summary, mankind first harnessed fire an estimated 1.5 million years ago, invented the lever about 7,000 years ago, developed the wheel about 6,000 years ago, and continued to assemble the building blocks for modern technology, but at a relatively slow pace. Of course the invention of electricity, radiation, and electronic computing over just the past 150 years accelerated the rate of sophistication. But then, in a period of only about the last 50 years, the internet, the cell phone, and the GPS created an explosion of possibilities! The world changed forever with huge implications for communication, financial services, health care, and .

. . religion. We are the last generation to remember life before the internet, cell phone, and GPS and we are the first generation to wrestle with the consequences. Mike Rapp, Rich Gray, and Phil Pardun lead this fascinating discussion.

To join this engaging conversation about our rapidly changing world and the opportunities for Christianity, contact John Maxson (jsmaxson@aol.com).

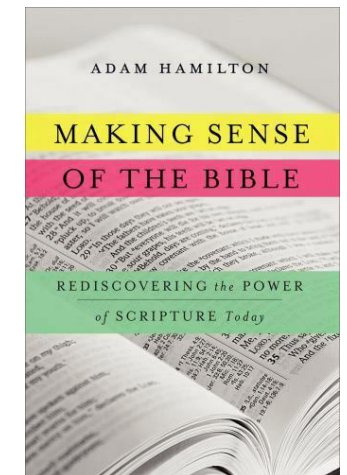

Thursday Morning Study at Barrington UMC

WOW (Women of the Word) | Thursdays, 10:00 a.m. – noon.

Beginning in December, this group will discuss *Making Sense of the Bible, Rediscovering the Power of Scripture Today* by Adam Hamilton.

Denominations from evangelical to mainline continue to experience deep divisions over universal social issues. The underlying debate isn't about a particular social issue, but instead, it is about how we understand the nature of scripture and how we should interpret it. The world's bestselling, most-read, and most-loved book is also one of the most confusing. In Making Sense of the Bible, Adam Hamilton, one of the country's leading pastors and Christian authors, addresses the hot-button issues that plague the church and cultural debate, and answers many of the questions frequently asked by Christians and non-Christians alike.

Join the conversation by contacting Faye Reid (fayemsw@aol.com), Carol Henrickson (clhenrickson@gmail.com) or Debi Damico (damicodebi@gmail.com).

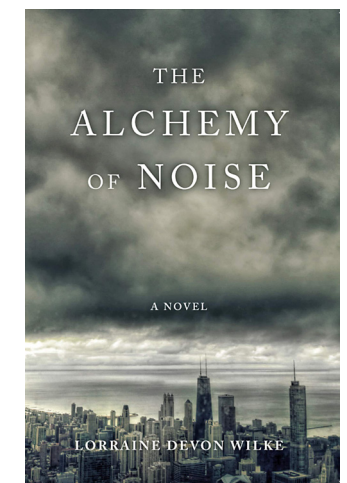

Thursday Book Study at First UMC West Dundee

Book Discussion Group | Wednesday, December 1 at noon

All are invited to the Fireside Room for a discussion of *The Alchemy of Noise* by Lorraine Devon Wilke.

In world so full of lonely people and broken hearts, it's serendipitous that Chris Hawkins, a black sound engineer from Chicago's south side, and Sidonie Frame, white, suburban raised, the head manager of one of the city's buzziest venues, meet by work related happenstance and fall quickly in love. The couple is convinced happiness is theirs for the taking, but life, it seems, has other plans. While they're able to transcend culture clashes, recurring police disruptions, and the resistance of select family and friends, a violent arrest ultimately turns their world upside down, leaving them to question everything ~ including each other.

There is a Reading Group/Book Club discussion guide at the end of the book that can help guide our discussion. If you have any questions, please contact Pr. Wendy, wwitt@barringtonumc.com or (312) 898-6804.

GET INVOLVED | BUMC MEMBER CARE

Indoor Tea Parties have resumed on the 3rd Tuesday of each month. We meet at the church at 1:00 p.m and go in pairs to visit people. Please let the church office know if you are interested in receiving a visit or being a visitor; our next party is on November 21.

Member care volunteers deliver occasional meals to individuals going through difficult times. If you would be willing to cook and/or deliver a meal once in a while, please contact Elaine Anderson at (847) 921-5356 or at rneaa@comcast.net for more information. We have also resumed our Communion Service at The Garlands. This short, 1/2 hour to 45-minute monthly service needs volunteers to assist with the program.

“Card Angels,” a member care program, needs your help. If you would you be willing to write notes of encouragement to someone going through difficult times, we need your help! These cards are sent to the same person every few weeks.

If you are interested in helping in any of these areas, need some of these services, or have questions, please contact the church office at (847) 836-5540 or Elaine Anderson at (847) 921-5356 or rneaa@comcast.net

GET INVOLVED | WELCOMING AFGHAN REFUGEES

Our church is exploring how best to support Afghan refugees—specifically, individuals or families who have served with American troops and have been vetted by the State Department to stay in the United States for their safety. These individuals will receive work permits immediately and be eligible to apply for citizenship at a later date. Our efforts will be coordinated through World Relief Chicagoland, an agency contracted by the State Department to coordinate the efforts of churches and other volunteers.

One of the ways we could support a family is by forming a Good Neighbor Team. A group of four to six people can form a team “to extend welcome to a refugee family through practical and relational support. Good Neighbor Teams serve in collaboration with World Relief Services’ Immigrant Family Services staff to support families in pursuit of their stated goals, and with the support of our Volunteer Coordinator, extend hospitality, offer friendship, and facilitate the building of community. Teams commit to partnership with a family weekly for a minimum of six months.”

There are many other opportunities to help as mentors or tutors, setting up apartments, providing transportation, donating welcome kits, furniture or winter clothing, or providing funds to support any of these efforts.

There will be an informational meeting on Friday, November 12, at 6:00 p.m. at Wheatland Salem UMC, 1852 95th St, Naperville. World Relief, the agency taking the lead in the resettlement of Afghani refugees, will provide a complete presentation on the opportunities for churches to partner and help.

To join us for the presentation, or to express your interest in helping, please contact George Gill at gkgill.sr@gmail.com or Wayne Schild at schildcons@aol.com.

Children at a World Relief parent/child playgroup in September.

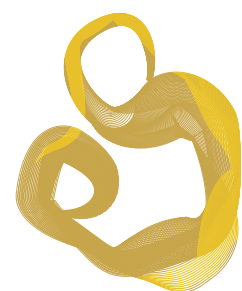

This effort continues a Barrington UMC tradition of helping those who have helped our troops. After WWII, we supported an eastern European family, and later, a Vietnamese family. This is our opportunity to continue this tradition.

GET INVOLVED | MUSIC AND WORSHIP ARTS

Our Music and Worship Arts programs continue to move forward in exciting ways. Here are things you can look forward to.

- Our new organist, Ricardo Ramirez will join us beginning November 7 for All Saints worship. Our Worship Arts team will create the All Saints candle vignette.
- Nancy Jensen will again design and install worship arts for Thanksgiving in the rotunda and sanctuary.
- We are organizing volunteers to help decorate the sanctuary for Advent and Christmas. Contact Patti Mangis if you are able to join the effort, pmangis@barringtonumc.com.
- On the last Sunday of Advent, December 19, during morning worship, the combined choirs of First United Methodist West Dundee and Barrington United Methodist Church will present *Magnificat* by Taylor Scott Davis in the Barrington UMC Sanctuary. This 30-minute multi-movement work is a setting of Mary's prayer from the first chapter of Luke.

T H E M A G N I F I C A T

Sunday, December 19, 9:00 and 10:30 a.m. at Barrington United Methodist Church

It is not too late to join the choir for this event!

Come to seven hour-long rehearsals Thursdays at 7:00, and you can take part!

Recordings of all the parts are available for listening at home or in your car. If you have ever been in choir, or ever wanted to, we need your voice to make this music beautiful.

The Magnificat will be accompanied on organ and on harp played by harpist Laura Fako Utley.

Composer Taylor Scott Davis is Director of Music and Worship Arts at St. Andrew United Methodist Church in Plano, Texas. Davis is in high demand across the country, and has received commissions from a wide variety of groups. His *Magnificat* was published in 2020, under commission for the Chancel Choir of St. John's United Methodist Church, Albuquerque, New Mexico, "in honor of women of faith." Davis' music has been called "lush and artful" in the *Choral Journal*, with *Opera Today* praising it as "soothing and luxuriant."

Harpist Laura Fako Utley has been playing the harp since 1977. She grew up in a musical family in Elmhurst, IL. Both of her parents are professional musicians. Her father played with the Lyric Opera Orchestra of Chicago and her mother is a former member of the Chicago Symphony Orchestra. In 1990, she received her degree in Music Performance from the Chicago College of Performing Arts at Roosevelt University. Laura currently performs and teaches throughout the Chicagoland area playing with orchestras, small chamber ensembles for weddings, receptions and special occasions.
